(Interview sheet)

Sheet number :

Date :

Village/Street surveyed :

➤  Informant profile

Informant :

- Herbalist
- Cooperative

Gender :

- Male
- Female

Age :

- 20-30
- 30-40
- 40-50
- 50-60
- 60-70
- Over 70

Academic level :

- No academic level
- Primary
- Secondary
- University
- Other

Marital status :

- Single

- Married
- Divorced
- Widowed

Experience :

- <5 years
- 5-10 years
- 10-20 years
- More than 20 years

➤ Species information:

Common name:

Scientific name:

Use of the plant:

- Therapeutic
- Cosmetic

Status of the plant:

- Common plant
- Difficult to find

➤ Use in traditional medicine

Used Part:

- Stem
- Flower
- Fruit
- Seed
